Las Deltas Mutual Water Company

Community Survey

Provost & Pritchard Consulting Group was appointed by the State Water Resources Control Board to provide managerial expertise to the Las Deltas Mutual Water Company community in its transition to safe drinking water. Provost & Pritchard is committed to engaging the community through public meetings and transparent communications. By filling out this survey, you will help Provost & Pritchard provide the best means of communication about your water system.

You can also fill out the form online! Hover your smartphone camera over the QR code to the right and click the link to start the survey. If you choose to fill out this paper version, please return it to staff before you leave.

The survey link and more information can be found at
